

# Support Clean Water with a beer at the Livery

50 cents from every pint will be donated to help protect the Ox Creek Watershed!

Thursday, May 5, 2016 5-8 p.m.

At The Livery, 190 5<sup>th</sup> Street,  
Benton Harbor, MI, 49022

The proceeds will go towards improving and protecting Ox Creek, which flows to the Paw Paw River, then the St. Joseph River and ultimately into Lake Michigan. The Livery is in the Ox Creek Watershed which means the rain and snowmelt from The Livery property drains to Ox Creek. Help us protect and improve it!

Join us for a community paddle on the Paw Paw River from 3-5pm with Kevin Haight, TRC president
