Which roadmap should the Michigan Department of Transportation (MDOT) follow to address our state's transportation needs through 2035? MDOT seeks your input to help revise its long-range plan, "MI Transportation Plan: Moving Michigan Forward."

**Please call 517-373-9534** for further information. With seven days advance notice, MDOT can make meeting materials available in alternative formats like large print, audio tape, signing and language translation.
