Rankings are derived from meetings with local officials. We realize that the discussions SWMPC staff have had with officials might not fully represent their final views on segment prioritization and that staff may have misinterpreted the expression of some priorities. We encourage further feedback from officials on the priority rankings that we have tentatively listed here.

#### Lincoln Township Stakeholder Meeting

November 9, 2010

Attendees: Suzann Flowers, Trevor Thomas, Dick Stauffer, Terri Smith, Tom Norby, and Dave Austin.

- Attachments passed out: Funding matrix from federal highway, Fact or Fiction sheets, Lake Township bicycle/pedestrian crash reports, copy of Rails-to-Trails Conservancy report "From Trail Towns to TrOD: Trails and Economic Development"
- 2. Thomas reviewed the agenda and goals and objectives of the non-motor subcommittee as it pertained to the TwinCATS committees. Thomas further stated that there would be a separate non-motorized plan that will be included in the Long Range Transportation plan for the area.
- 3. Thomas explained the different maps that were presented to the representatives and went over the details of the crash data and what that meant for their community. Thomas further discussed that the justification for having these stakeholder meetings was to ensure that projects were included in plans to make those projects eligible for funding.
- 4. Stauffer and the other Lincoln Township representatives expressed some concern regarding the proposed non-motorized path project bordering Hickory Creek. The representatives think that a different mapping designation for this project may be necessary. There are now sidewalks along Cleveland Avenue that need to be put on the map to show existing and they would like to extend the shoulders along Cleveland to Linco Rd. There was support for the other on-road and off-road proposed projects that were existing on the map.

On the recommendations of Stauffer, SWMPC staff will return to the Township to present their information to the full Lincoln Township Board prior to regional public input sessions.
