

SWMPC Staff Assessment of Complete Streets Policy Adherence

2014-2017 Projects that definitely meet Complete Streets Policy:

Year	Responsible Agency	Project	How It Meets Requirements
2014	Village of Shoreham	Brown School Road Resurfacing- Lakeshore Drive to CSX Railroad Tracks	Installing sidewalks, putting in marked bike lanes on both sides
2014	Berrien County	Brown School Road Resurfacing- Cleveland Avenue to Village limits of Shoreham	5' wide paved shoulders being installed
2014	Berrien County	Roosevelt Road Non-Motorized Extension	1700 linear feet of 10 foot wide non-motorized trail parallel to existing roadway
2015	Berrien County	Marquette Woods Road- St. Joseph Avenue East to Roosevelt Road Non-motorized improvements	8 foot wide shoulders (5 feet paved, 3 feet aggregate) and concrete sidewalks
2016	Berrien County	Shawnee Road Resurfacing- Jericho to Date	5 foot wide paved shoulders will be installed

2014-2017 Projects that likely qualify for an exemption

Year	Responsible Agency	Project	Why it is exempt
2014	Berrien County	Hollywood Road- Restore and Rehabilitate	Design is more than 30% complete- this is an Advance Construct conversion
2014-2017	TCATA	All	Not a roadway improvement project
2014-2017	MDOT	All	Not a LOCAL roadway project
2014	City of Benton Harbor	Pipestone at Empire Traffic Signal Replacement	Not a roadway improvement project
2016	City of Benton Harbor	Pipestone at Wall St Traffic Signal Replacement	Not a roadway improvement project

2017	City of Benton Harbor	Pipestone at Jefferson Traffic Signal Replacement	Not a roadway improvement project
2017	City of Benton Harbor	Pipestone at Market St Traffic Signal Replacement	Not a roadway improvement project

Projects that may or may not meet requirements/be exempt

Year	Responsible Agency	Project	Issues
2017	Berrien County	Hilltop Road hot patch and microsurface	No opportunity for geometric realignment
2014	City of Benton Harbor	Broadway Avenue resurfacing- Pipestone St to Empire Avenue	Sidewalks already in place; ADA ramps being replaced—any facilities for bicyclists?
2014	Berrien County	Date Road- Bridge Replacement over Keelo Creek	Unclear whether opportunity exists for non-motorized elements
2015	City of St. Joseph	Botham Avenue- Reconstruct	Sidewalks already in place--- any opportunity to include bicycle lanes?
2016	City of Benton Harbor	Colfax Avenue Resurfacing	Sidewalks in place, ADA ramp upgrades being done—any facilities for bicyclists?
2017	Berrien County	John Beers Road Resurfacing from Hollywood Road West 0.51 miles to West Township Line	4-foot paved shoulders currently in place--- new standard says 5 foot wide shoulders are minimum for safe bicycling.
