Berrien County Road Department Red Arrow Hwy Reconstruction

Phase I

Project Size: 2.3 miles

Project Time Frame: The project is underway and will be finished in early 2019

Notes: This will remain four lanes as it is today

Phase II

Project Size: 1.2 miles

Project Time Frame: Expected to be completed in 2019

Note: This will remain four lanes as it is today

Phase III

Project Time Frame: 2020

Notes: There will be the design and construction of a much safer intersection at Red Arrow Hwy and Union Pier Rd.

Phase IV

Project Size: Unknown

Project Time Frame: To begin around 2021

Notes: At this time no decision has been made about what Phase IV will look like.
