COUNTY

BEFORE YOU USE THIS MAP

This map has been developed by the Southwest Michigan Planning Commission and its partners to assist individuals in finding appropriate bicycle routes. The user is expected to exercise the good sense of a reasonable person in conjunction with the use of this map. Personal safety remains the responsibility of the user. As the Southwest Michigan Planning Commission does not maintain the roads or paths reflected on this map, it makes no express or implied guarantee as to the safety or condition of them. Road and path conditions indicated on the map will change with time. The suitability of traffic, roads, and trails will vary depending on your comfort and skill as a cyclist.

All public and private entities and persons involved in the creation of this map disclaim responsibility and shall not be answerable or held accountable in any manner for loss, damage, or injury that may be suffered as the result of the use of this map.

The Southwest Michigan Planning Commission produced this map with funding from the Michigan Department of Transportation and with cooperation from the following agencies and organizations: the County Road Commissions and GIS Departments for Allegan, Barry, Berrien, Branch, Cass, Calhoun, Kalamazoo, St. Joseph, Van Buren Counties; City Road Departments for Battle Creek, Benton Harbor, Holland, Kalamazoo, Portage, St. Joseph; South Central Michigan Planning Council; West Michigan Shoreline Regional Development Commission; Kalamazoo and Battle Creek Area Transportation Studies; SMART - Southwest Michigan Alliance for Recreational Trails.

Where to Bike

On the Road
Bicycles are permitted on Michigan highways and roads. The only EXCEPTIONS are limited access freeways or roads with posted prohibitions. Bicycles are allowed on road systems within State Forests, State Parks, National Forests, and National Parks. For more information on minor roads, county road commissions typically offer county road maps.

Trails in State Parks and Recreation Areas
All-terrain bicycles are suited for many of the state and national trails. For more information on both State Forest and State Park Trails see the tables on the opposite side of this map. For maps of trails and further information call the individual park or the Michigan Department of Natural Resources at (517) 373-9900.

Local Trails
Many communities have developed trail systems. Rules and regulations at each may differ. See the bicycle resources section on this map or contact individual communities for additional information.
