MDOT Amendment Request

For Projects within the NATS Area – January 27, 2026

Cost Change Amendment – JN 221615

Location	US-12 from S. Shore Drive to Five Points Rd in Ontwa Township			
Project	Widen the shoulders along US-12 will be from 3ft. to 8ft. to provide a safer option for walking, jogging, and cycling. A recent MDOT project widened the shoulder along US-12 from Lane Rd to Brady Rd. However, there are still gaps in the non-motorized network which this proejct will fill to create a continuous non-motorized accommodation.			
Amendment	Reduce the cost based on the final engineer's estimate			
2026 CON Budget		Federal CRP	State	Total
	Current	\$5,299,788	\$1,175,212	\$6,475,000
