## 2035 MI Transportation Plan Revision

## August Public Meetings

Which roadmap should the Michigan Department of Transportation (MDOT) follow to address our state's transportation needs through 2035? MDOT seeks your input to help revise its long-range plan, "MI Transportation Plan: Moving Michigan Forward." Put yourself behind the wheel and join us for one or more of the upcoming public meetings to discuss the draft document. The 5 to 7 p.m. open houses will feature brief presentations at 5:15 p.m. and 6:15 p.m.. The same information will be presented at each location.

The draft plan will be available at [www.michigan.gov/slrp](http://www.michigan.gov/slrp) beginning Aug. 1, 2012. MDOT will seek public comments on the plan through Sept. 1.

**Please call 517-373-9534** for further information. With seven days advance notice, MDOT can make meeting materials available in alternative formats like large print, audio tape, signing and language translation.
