RE: Red Arrow Highway Amendment Request

Dear Mr. Kovnat:

Berrien County Road Department is requesting the following change to the Red Arrow Highway Project. We would like to increase the project local match from \$228,000.00 which includes State "D" funds of \$108,176.00 to \$2,919,824.00. The additional funding will allow us to work with the Township in constructing a street scape element to the project. This will help improve the overall economic development of the Red Arrow Highway and Union Pier corridor. Below is the proposed funding amendment.

Federal Amount	\$772,000.00
State D Amount	\$108,176.00
<u>Local Amount</u>	<u>\$2,919,824.00</u>
Total Amount	\$3,800,000.00

These proposed amendments are shown on the attached updated Project Sheet. Thank you for your assistance. If you have any questions, please call.

Very truly yours,

Berrien County Road Department
