1. Call to Order & Introductions

- Bellina called the meeting to order at 1:33p.m. and led the group in introductions.

2. Minutes

A motion by Harden with support by Frost to approve the February 26, 2013 NATS Technical Committee Meeting. **Motion passed.**

3. Public Comment

No public comments were received.

4. Staff Report

- **Performance Measures Workgroup**

Flowers noted that as time is beginning to run low on the time to work on new sections of the long range plan, that she thinks that she has a strategy to deal with this section and will bring it to the Committee members next month.

- **FY 2013 Obligation Authority Letter**

Flowers noted that at the last Committee meeting a letter was referenced from MDOT regarding the additional obligation authority that the MPO would receive. NATS will receive an additional 328,000 worth and the obligation will be handled during the TIP amendments in the meeting. A copy of the letter was given to members to review.

- **TIP call for project meeting-reschedule**

Flowers noted that in order to keep on schedule with the TIP development process the following strategy was proposed:

- **April 5, 2013 at 10:00 a.m.** 2014-2017 Transportation Improvement Project Selection Subcommittee meeting will be held at the Niles City Hall, 333 N. 2nd Street, Niles, MI 49120. This meeting will help decide which how federal funds should be spent in the area.
- **April 19, 2013 at 9:30a.m.** A **joint** TAC and Policy Committee will be held at the Niles City Council Chambers (Fire Station) located at 1345 E. Main St., Niles, MI, 49120 to review transportation projects selected for the 2014-2017 TIP. This will be the only topic on the agenda.
- **April 30, 2013 at 1:30p.m.** A **joint** TAC and Policy Committee will be held at the Niles City Council Chambers (Fire Station) located at 1345 E. Main St., Niles, MI, 49120 to conduct normal business for the NATS metropolitan planning organization. The April 23, 2013 meeting is hereby cancelled.

A motion by Harden with support by Personette to accept the proposed NATS meeting strategy for Policy Committee members to review. **Motion passed.**

- **TAMC Spring Conference-May 8, 2013**

Flowers noted that the Transportation Asset Management Conference will be held on May 8, 2013 and that there is registration information on the postcard that was passed out at the meeting.

- **Soil erosion and Sediment Control Training**

Flowers also noted that the soil erosion training will be held in Niles on Wednesday March 27, 2013. More information can be gained from the flyer that was passed out at the meeting.

- **SWMPC LRP and TIP Public Hearings**

Flowers reminded members that the first of 3 public comment sessions will be held on Wednesday March 27, April 24, and May 22. All open house comment sessions will be held from 5-7 at the Niles District Library. She reminded everyone to take a postcard and share with people.

- Adding ACC CCRC Elkhart Road JN 112107 for federal cost of 11,417.
- Amending JN 104152 MDOT M-139 CON phase change in federal cost to 4,531,200, change in state cost from 5,664,000 to 1,132,800 no change in phase cost but a change in total project cost due to addition of ROW phase in 204 from 7,118,000 to 7,228,100.

A motion by Boyd with support from Harden to recommend to the Policy Committee to approve the proposed amendments to the 2011-2014 NATS TIP. **Motion passed.**

▪ **Brad Sharlow- 2020-2040 Model Deficiencies**

Sharlow presented model deficiencies for 2010, 2020, 2030, and 2040. He explained what the information provided was a tool and that it is simply demonstrating what the model is showing for future deficiencies in the regional transportation network. Flowers provided handouts that showed the tables that Sharlow provided to her and Mani.

A motion by Harden with support by Frost to make a recommendation to the Policy Committee to approve the 2020, 2030, and 2040 model deficiency information for the NATS MPO. **Motion passed.**

▪ **Long Range Transportation Planning Sections**

Flowers noted that in an effort to bring sections of the Long Range Plan to the Committee members in manageable chunks that there are several sections to review this month.

- Air Quality
- Transit-Kim Gallagher from the SWMPC spoke about this section, took notes, and answered questions regarding what will be in the plan.
- Environmental Mitigation
- Environmental Justice
- Future Planning Areas

A motion by Minks with support by Frost to conditionally approve the draft sections of the long range plan and to continue to make progress on the sections of the Long Range Plan and to present them to the Committees. **Motion passed.**

▪ **Transportation Improvement Program**

Flowers noted that in an effort to bring sections of the TIP to the Committee members in manageable chunks that there are several sections to review this month.

- Introduction
- Air Quality
- Environmental Justice
- MPO overview

A motion by O'Haver with support by Personette to conditionally approve the draft sections of the transportation improvement program and to continue to make progress on the sections of the TIP and to present them to the Committees. **Motion passed.**

▪ **Legislative Updates-Federal and State**

- **Federal**-Dewey stated that HR 933 was passed by both houses of Congress that allows the federal government to continue to operate and specifically allows for STP allocation to continue until the end of the fiscal year. She also noted that so far, FHWA has not been impacted by sequestration however, the FAA and FTA get funds from the general fund and they are being impacted.
- **State**-Boyd stated that Ray Lenze is doing well and that the Michigan legislature will not take up any bills until late summer regarding changes to the funding of transportation.

8. Public Comment

There were no comments taken.

9. Privilege of the Floor

There were no comments made.
